NEW ENGLISH CHRYSANTHEMUMS

BE SURE TO READ—During the past three years we have imported a large number of hardy English Chrysanthemums from Canada. These are by far the finest Chrysanthemums that we ever grew. Hundreds of people have come to see them blooming, many of them coming quite a distance. One of the nice things about them is that they are all early. No matter where you live you can still raise these lovely flowers. These new Chrysanthemums can be raised without disbudding, but if you want a real treat by all means disbud down to 8 to 12 buds to the plant. The top should be pinched out when the plants get 6 or 8 inches high; this makes the plants more dwarf. Disbudding also makes Chrysanthemums bloom much earlier. Should be planted in good soil and in sunny location.

These new Chrysanthemums are equal in hardiness to the old garden Chrysanthemums and are so far superior to the old type of Chrysanthemums that there is no comparison. Be sure and try some.

All our Chrysanthemums are double. We grow no single Chrysanthemums. We don't like single Chrysanthemums so we just don't raise them.

PRICES ARE PER EACH. MENTION A FEW SUBSTITUTES IN CASE WE SHOULD BE OUT OF ANY VARIETIES WHEN YOUR ORDER COMES. IF YOU WANT TO TRY THESE AND IF YOU WANT TO LEAVE THE SELECTION TO US, WE WILL SEND 7 FOR \$1.00 OR 15 for \$2.00. EACH WILL BE DIFFERENT.

Please Order Early

Plants will be ready shortly after March 15th.

- ALABASTER.** A very early white of large size and good substance. Slightly incurved and will grow five inches across if disbudded. An extremely fast multiplier. Every mum collection should have this one Aug., Sept. .20
- ASSURANCE.** Chestnut with bronze reverse, flowers 4 to 5 inches across. A good cropper and a good keeper Sept. .25

- ADORATION.** Large spreading flower of pink on cream ground. A very fine variety. Plants will carry 6 to 8 blooms 6 inches across. A good grower and grand for cutting..... Sept. .30

Russell's Lupine

The new Russell's Hybrid Lupine is the finest improvement in Perennials that we have ever seen. They are so far ahead of the old Lupine that there is no comparison. You will find Rose and Pink, Pink and Salmon, Salmon and Buff, Pink and Buff, Old Rose and Light Rose, Blue and White, Purple and Yellow, Purple and Rose, and many other combinations. In thousands of plants it is hard to find any two with coloring exactly alike. With us here they bloomed just right for Decoration Day. Hundreds of people came to see them while in bloom. They really were the talk of the town. By all means try some of them. Must be planted by March 15th.

All orders will be shipped transportation COLLECT. If your order is to be sent by mail be sure and include sufficient postage to cover. We will include extra plants to cover excess. If no postage is sent we will ship express (just as cheap). Be sure to give express office if different from P.O. WASHINGTON CUSTOMERS: Add 3% sales tax.

Prices in this list are cancelled after June 1, 1944. Most stock is scarce and hard to get. We urge you to order early. Roses, shrubs and trees should be planted as soon as ground can be worked. Late planted stock does not do so well and we cannot be responsible for the results. Please order from this list only as we no longer have much stock listed in former catalogues.

CHRYSANthemums will be ready about March 15 and shipments will begin shortly after that date if weather permits.

We wish to thank each and every one for the nice orders sent in in previous years, and your patience, as many times we have been much delayed in filling orders. Competent help is scarce and spring is a very busy time for us. We will fill all orders as promptly as possible, and will ask that you write us if anything isn't satisfactory.

At this season of the year it is impossible to answer all correspondence personally and promptly, so if you will be patient we will appreciate it.

If we are out of any item, will you let us send something else? Please write "you may substitute" on your order. You may state preference. Thanks.

Again we thank you and trust we may have the pleasure of serving you in 1944.
